WEDDING PRICES

This package includes up to five hours* of coverage, two professional photographers, with each having 30+ years of professional experience—both in photojournalism and portraiture.

We would meet several times, in person or by phone, before your wedding to hear details you would prefer, etc, to make your photographs exactly what you have dreamed of!

We would begin photographing approximately two hours before the time of your wedding. You will receive at least 300+ images from your wedding day, edited and ready for you to print. Also, you will receive a copyright release and complete freedom to make as many prints as you want, when and as you choose. This package is \$4500.

*Additional hours of coverage offered at \$350/hour.
